

Any-Blog Privacy Policy

Any-Blog, hereafter referred to as the software, is a software application built for mobile devices by Codeworks Software, LLC, hereafter referred to as the company. The software allows a user to post status updates and to share photos, hereafter referred to as information, to social networking services, hereafter referred to as services. A user of the software is able to post information by first logging in to one or more of the services with a username and password. The software does not store usernames, passwords, user account pictures, or user location, hereafter referred to as data. Neither does the software upload data to the company. Additionally, the software does not store information; neither does the software upload information to the company. The company reserves the right to change the terms of this policy without notice.

This software is intended for use with information for which you have sufficient rights to, authority for, or ownership of. It is your responsibility to ascertain whether copyrights, patents, or other licenses are needed for the information that you use in conjunction with this software. You agree to hold harmless, indemnify and defend the company, its officers, directors, employees and third party suppliers against any loss, damage, fine, or expense including attorney's fees arising out of or related to any claim that you have used this software in violation of applicable laws in your jurisdiction. It is your responsibility to abide by the laws of whichever jurisdiction you reside in.

The company is not responsible for the practices employed by any websites or services linked to or from the software, including the information or content contained within them. Please remember that when you use a link to go from our software to another website or software, this Privacy Policy does not apply to those third-party websites or services. Your browsing and interaction on any third-party website or service, including those that have a link on this software, are subject to that third party's own rules and policies. In addition, you agree that the company is not responsible and does not have control over any third-parties and your involvement with them is at your own risk.

The Any-Blog name and logo, as well as the Codeworks Software name and logo are trademarks of the company. The software is property of the company and is protected by copyright laws in the United States and in other countries. If you have any questions regarding this Privacy Policy or if you wish to request any information from company, please contact us at the email address below. All correspondence must be in English.
